

# Save money on your asthma or diabetes medication!

## The No-Pay Copay Benefit for Allegiance members who have asthma or diabetes

The No-Pay Copay benefit will waive the copay for most asthma and diabetes medications if you're enrolled in an Allegiance medical plan and participate in the Nurse Health Coaching program.

In the program, you'll work with a personal nurse health coach to:

- Evaluate your wellness and personal needs
- Coordinate your health care
- Improve self-management of your condition
