PrudentRx Copay Program for Specialty Medications

In order to provide a comprehensive and cost-effective prescription drug program for you and your family, [Insert Plan name] has contracted with PrudentRx to offer the PrudentRx Copay Program for certain specialty medications. The PrudentRx Copay Program assists members by helping them enroll in manufacturer copay assistance programs. Medications in the specialty tier will be subject to a 30% co-insurance. However, enrolled members who get copay card for their specialty medication (if applicable), will have a $0 out-of-pocket responsibility for their prescriptions covered under the PrudentRx Copay Program.

Copay assistance is a process in which drug manufacturers provide financial support to patients by covering all or most of the patient cost share for select medications - in particular, specialty medications. The PrudentRx Copay Program will assist members in obtaining copay assistance from drug manufacturers to reduce a member's cost share for eligible medications thereby reducing out-of-pocket expenses. Participation in the program requires certain data to be shared with the administrators of these copay assistance programs, but please be assured that this is done in compliance with HIPAA.

If you currently take one or more medications included in the PrudentRx Program Drug List, you will receive a welcome letter and phone call from PrudentRx that provides specific information about the program as it pertains to your medication. All eligible members are enrolled in the PrudentRx program via an easy two-step process: 1) The first step of enrollment is already complete as your member information is on file with PrudentRx and 2) You need to call PrudentRx at 1-800-578-4403 within the next 5 days to register for any copay assistance available from drug manufacturers. You can choose to opt out of the program and you must call 1-800-578-4403 to opt-out. Some manufacturers require you to sign up to take advantage of the copay assistance that they provide for their medications – in that case, you must speak to someone at PrudentRx at 1-800-578-4403 to provide any additional information needed to enroll in the copay program. PrudentRx will also contact you if you are required to enroll in the copay assistance for any medication that you take. If you do not return their call, choose to opt-out of the program, or if you do not affirmatively enroll in any copay assistance as required by a manufacturer you will be responsible for the full amount of the 30% co-insurance on specialty medications that are eligible for the PrudentRx program.

If you or a covered family member are not currently taking, but will start a new medication covered under the PrudentRx Copay Program, you can reach out to PrudentRx or they will proactively contact you so that you can take full advantage of the PrudentRx program. PrudentRx can be reached at 1-800-578-4403 to address any questions regarding the PrudentRx Copay Program.

The PrudentRx Program Drug List may be updated periodically by the Plan.

Copayments for these medications, whether made by you, your plan, or a manufacturer's copay assistance program, will not count toward your plan deductible.

Because certain specialty medications do not qualify as "essential health benefits" under the Affordable Care Act, member cost share payments for these medications, whether made by you or a manufacturer copayment assistance program, do not count towards the Plan's out-of-pocket maximum. A list of specialty medications that are not considered to be "essential health benefits" is available. An exception process is available for determining whether a medication that is not an essential health benefit is medically necessary for a particular individual.

PrudentRx can be reached at 1-800-578-4403 to address any questions regarding the PrudentRx Copay Program.
